Can't "take over". But can step in to provide policing service.

I will go thru the police services act after.

So spoke to him. His motive is to force the provinces hand as it would be required to have their sign off. Matt (dept mayor) is former CAF so familiar with the national defence act so bill and I will share views on other aspects of at all possible. This will be introduced Monday so we have time. He told me they don't want to get rid of sloly at this time

Sorry that message was to Christina hence the bill and I. Sorry for the informality

Check section 19(1) of the ont PSA on temporary assistance and emergencies

The police services board may request temporary assistance in providing adequate and effective policing from the Commissioner of the OPP.
